

Make Your Online School Different.

Get Your Students Real Work Experience with Tendoledu

Online School Landing page

It's really hard to be unique when all online schools do the same thing (only teach).

[Sign Up Here](#) to change that.

How it works:

1

CREATE

Create a space for your students to work in.

2

ADMIT

Admit students based on criteria You Set.

(You can add an admission fee too!)

3

SELECT AND ASSIGN

Select Requested Marketing Jobs then Assign to Students

4

DELIVER & GET RATINGS

Deliver Finished Work & Get Ratings.

You can do even more cool stuff with Tendoledu.
